Environmental Data Sheet - Key Features

Interface®

Construction		
Yarn system	100% BCF Solution Dyed PA 6	
Backing system	Graphlex®	
Recycled Content	**Total Recycled Content**	Yarn recycled content
Product average	**54.6%**	94.7%
	Recycled content can be subject to differences between colours. See details for individual colours on next page.	
Carbon Footprint		
Estimated full life-cycle carbon footprint (using standardised method developed by GUT)	Raw materials and Production:	12.5 kg CO_2 eq./m^2
	Delivery and installation:	0.3 kg CO_2 eq./m^2
	Use (1 year):	0.2 kg CO_2 eq./m^2
	End of life (waste to energy):	4.9 kg CO_2 eq./m^2
	TOTAL (10 years' lifetime):	19.7 kg CO_2 eq./m^2
CO_2 compensation	Carbon neutral Cool Carpet® is optional	
Manufacturing		
Location	Scherpenzeel, NL	
	Factory is certified ISO 14001 since 1996 and ISO 9001 since 1990	
Installation Impacts		
TacTiles™	Optimised for glue-free installation with TacTiles™ connectors with virtually zero VOCs	
Installation Waste	In a typical installation* using the installation method below:	
	Ashlar – 3-5% installation waste	
	For reference: 2 metre wide broadloom typically generates 7-10 % installation waste	
	* In a rectangular building, installed before walls.	
End-of-life		
Alternatives to landfill	Reuse: Can be cleaned and reused in a non-critical location to extend its useful life	
	Recycling: Can be returned through the Interface ReEntry scheme and be re-used as raw material in new carpet tiles	
	Waste-to-Energy: Can be incinerated in appropriate waste to energy plant	
Indoor Air Quality		
GuT (Gemeinschaft umweltfreundlicher Teppichboden)	The product passes all requirements of GuT's testing criteria regarding hazardous substances, emissions and odour.	
	Certificate no. 24423	
CRI (Carpet & Rug Institute)	Compliant to the requirements of the Green Label Plus programme.	
Compliance to Green Building Schemes		
	See next page for potential contribution to various green building certification schemes	
Type III Environmental Product Declaration		
EPD according to ISO 14025	This product has a type III Environmental Product Declaration, EPD-IFF-2011511-E	
	The full EPD can be obtained at www.bau-umwelt.com under floor coverings
